Terry Wieland Sportsmanship Award / Hobey Baker High School Character Award

At the conclusion of each year's hockey season, the Centerville Hockey Association has presented the Terry Wieland Sportsmanship Award in the memory of Terry. Terry Wieland was a student at Centerville High School from 1978-1980. He was an excellent student and a goalie for the CHS hockey program. In July 1980, Terry was struck by lightning. In his memory, from 1983-2007, the Terry Wieland Sportsmanship award has been given to the Senior Varsity hockey player who has best represented the outstanding qualities that were exemplified by Terry.

Beginning in 2008, the memory of Terry's character and sportsmanship are reflected in the State's Hobey Baker High School Character Award. In memory of All-American hockey and football athlete and WWII hero, Hobey Baker, the Ohio High School Athletic Association, in cooperation with the coaching staff of each Varsity team, selects one Senior "best kid" from each Varsity hockey team in the state. The criteria for this award are character, sportsmanship, citizenship, teamwork, and academics. The attitude that reflects the recipient of this award is "team before me."
